

CLEANLINE

COMBI OVEN

Cleanline is designed to be used as a non-caustic Combi Oven cleaner for the walls, racks, window and interior of the unit.

APPLICATION: Run Cleanline through the automatic pump via the wash cycle, or manually with a jet spray inside the oven, allow contact time then agitate and rinse.

DILUTION:

Cleanline can be run via automatic pump or in a jet spray. For use in a jet spray Cleanline is to be diluted to 20ml/1Ltr, or stronger if needed.
