

Infosafe No™ VAR7S	Issue Date : January 2021	ISSUED by HUNTERST
Product Name <b>FABRIC SOFTENER</b>		

## 1. Identification

<b>GHS Product Identifier</b>	FABRIC SOFTENER
<b>Company Name</b>	Hunters Products (TAS) Pty. Ltd. (ABN 004 601 263)
<b>Address</b>	60 Gleadow Street INVERMAY TAS 7248 AUSTRALIA
<b>Telephone/Fax Number</b>	Tel: 03 6331 4755 Fax: 03 6334 1065
<b>Emergency phone number</b>	0407 610 542
<b>Recommended use of the chemical and restrictions on use</b>	As a fabric softener. Use as directed on the product label.

## 2. Hazard Identification

<b>GHS classification of the substance/mixture</b>	Not classified as Hazardous Not classified as a Dangerous Good
<b>Signal Word (s)</b>	NONE
<b>Hazard Statement (s)</b>	None
<b>Precautionary statement – General</b>	P102 Keep out of reach of children. P104 Read Safety Data Sheet before use
<b>Pictogram (s)</b>	None
<b>Precautionary statement – Storage</b>	P404 Store in a closed container.
<b>Precautionary statement – Disposal</b>	P501 Dispose of contents/container in accordance with local regulations.

## 3. Composition/information on ingredients

Ingredients	Name	CAS	Proportion
	Ingredients determined not to be hazardous		0-10 %
	Water	7732-18-5	to 100%

## 4. First-aid measures

<b>Inhalation</b>	Remove from exposure.
<b>Ingestion</b>	Do NOT induce vomiting. Give a glass of water to be taken slowly.
<b>Skin</b>	When handling industrial quantities, if skin contact occurs, remove contaminated clothing and wash skin thoroughly.
<b>Eye contact</b>	If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.
<b>First Aid Facilities</b>	Eye wash station and normal washroom facilities.
<b>Advice to Doctor</b>	Product is a dilute aqueous solution of a fabric softener. May be irritating to eyes. Contact Poisons Information Centre.

## 5. Fire-fighting measures

<b>Suitable extinguishing media</b>	Use extinguishing media appropriate to surrounding fire.
<b>Hazards from Combustion Products</b>	Water vapour, carbon dioxide, oxides of nitrogen.
<b>Specific Methods</b>	In case of small fire/explosion use water. In case of major emergency use PPE: breathing apparatus and protective gloves.

Infosafe No™ VAR7S                      Issue Date : January 2021                      ISSUED by HUNTERST

Product Name **FABRIC SOFTENER**

**Specific hazards arising from the chemical**                      Not a fire hazard. Not an explosion hazard.

## 6. Accidental release measures

**Spills & Disposal**                      Disposal of small spillages only. For large spillages liquids should be contained using sand or earth, and both liquids and solids then transferred to salvage containers. Residues should be treated as for small spillages.  
CAUTION: Before dealing with spillage take necessary protective measures, inform others to keep at a safe distance and, for flammable materials, shut off all possible sources of ignition.  
CARE! Spillages will be very slippery. If local regulations permit, mop up with plenty of water and run to waste, diluting greatly with running water. Otherwise absorb on inert absorbent, transfer to container and arrange removal by disposals company. Wash site of spillage thoroughly with water.

## 7. Handling and storage

**Conditions for safe storage, including any incompatibilities**                      Store in a cool, well ventilated place, out of reach of children. Large quantities should be stored in a bunded area. Store in original container. Keep container tightly closed and out of direct sunlight. Keep away from oxidising agents. Protect from physical damage. Clean up all spills and splashes promptly; avoid secondary accidents.

## 8. Exposure controls/personal protection

**Appropriate engineering controls**                      Ensure adequate ventilation (same as outdoors) when using. If handling industrial quantities, or if vapour risk exists, consider local mechanical exhaust/extraction to keep airborne contamination as low as possible.

**Personal Protective Equipment**                      Avoid contact with the skin and eyes. Personal protection to be selected from those recommended below, as appropriate to mode of use, quantity handled and degree of hazard:-  
Normal Use:  
    Eye/face protection  
    Gloves, rubber or plastic.  
Industrial Quantities:  
    Face shield or safety glasses  
    Gloves, rubber or plastic  
    Plastic apron, sleeves and boots  
    Impervious overalls.  
Always maintain a high level of personal hygiene when using cleaning chemicals. That is wash hands before eating, drinking, smoking or using the toilet.

## 9. Physical and chemical properties

**Form**                      Liquid

**Appearance**                      Blue, mobile liquid.

**Odour**                      Perfumed.

**Boiling Point**                      approx. 100C

**Solubility in Water**                      Soluble in water in all proportions.

**Specific Gravity**                      1.0

**pH**                      5-6

**Vapour Pressure**                      23 hPa @ 20 °C

**Flash Point**                      None

**Flammability**                      Not flammable.

## 10. Stability and reactivity

**Chemical Stability**                      Stable under normal use conditons.

Infosafe No™ VAR7S Issue Date : January 2021 ISSUED by HUNTERST

Product Name **FABRIC SOFTENER**

**Conditions to Avoid** Incompatible materials.

**Incompatible Materials** Oxidising agents.

**Hazardous Decomposition Products** Emits smoke and fumes when heated to decomposition.

## 11. Toxicological Information

**Acute Toxicity - Oral** No data

**Ingestion** Likely to cause gastric upset with nausea and vomiting.

**Inhalation** An unlikely route at normal temperatures owing to the low volatility of most ingredients. Aspiration into the lungs during swallowing or vomiting may lead to chemical pneumonitis (irritation of lung tissues).

**Skin** Will have a degreasing effect on the skin. Prolonged contact with the concentrate may cause irritation.

**Eye** Irritant.

**Chronic Effects** Prolonged or repeated contact with the skin of the concentrated product may irritate sensitive skin.

## 12. Ecological information

**Ecotoxicity** No data.

**Persistence and degradability** Inherently biodegradable.

**Mobility** Readily transported by running water.

**Environmental Protection** Avoid contaminating waterways, drains, sewers, or ground.

## 13. Disposal considerations

**Waste Disposal** Land fill, incineration, sewer (small quantities). Refer to Land Waste Management Authority in your State.

**Product Disposal** Avoid disposal to natural waters.

**Special precautions for landfill or incineration** Unsuitable for incineration.

## 14. Transport information

**Transport Information** Not classified as a Dangerous Good according to the Australian Code for the Transport of Dangerous Goods by Road and Rail.

## 15. Regulatory information

**Poisons Schedule** Not Scheduled

**AICS (Australia)** All components listed.

## 16. Other Information

**Date of preparation or last revision of SDS** 28/01/2021

**Literature References** Preparation of Safety Data Sheets for hazardous Chemicals Code of Practice Standard for the Uniform Scheduling of Medicines and Poisons  
Australian Code for the Transport of Dangerous Goods by Road & Rail  
Globally Harmonised System of classification and labelling of chemicals

**Signature of Preparer/Data Service** Technical Manager 0407 610 542

Infosafe No™ VAR7S	Issue Date : January 2021	ISSUED by HUNTERST
--------------------	---------------------------	--------------------

Product Name **FABRIC SOFTENER**

**Technical Contact Numbers**

Emergency Advice All Hours:  
Technical Manager: 0407 610 542 Mon-Fri 8am - 6pm  
Poisons Information Centre: 13 11 26 - 24hrs  
Transport/Fire Emergency: 000 (Emergency services)

**Other Information**

This SDS summarises at the date of issue our best knowledge of the health and safety hazard information of the product, and in particular how to safely handle and use the product in the Workplace. Please refer to the technical datasheet (Instructions for use), and the label on the drum. The company cannot anticipate or control the individual working conditions encountered and so each user should read this SDS carefully, and if in doubt ring the Contact Point Number given below.
